

Intern Position Job Description- KidSPACE

Department- Education

Job Title: KidSPACE Intern

Purpose: KidSPACE is a new exhibit in the Duke Energy Children's Museum. KidSPACE is a place where Science, Play, Art, Creativity, and Exploration come to life through hands-on making, experimenting and tinkering. As a space that focuses on STEAM education, we are looking for someone who is passionate about working with children, sparking curiosity, and facilitating playful and engaging experiences that involve making of all kinds. This may look like teaching visitors how to use a sewing machine, use a 3D printer, or build contraptions with recycled materials. Each day in KidSPACE is a new opportunity to learn and skill share with staff and visitors.

Through this internship, KidSPACE interns will gain experience in museum interpretation, program presentation and evaluation. They will gain experience in educating a diverse population of varying age ranges and backgrounds. They will learn how to make information more accessible and fun. During this unique opportunity, interns will be able to share their own strengths, talents and interests with our guests.

Requirements:

- Currently enrolled in or recently completed an Education, Art, Design, or Science program or field (or has equivalent experience)
- Team player with excellent organization and communication skills
- Strong written and verbal communication skills
- Maintain discipline to complete task independently
- Must possess strong communication and customer service skills to effectively present programming to diverse audiences, and to communicate with coworkers
- Must be comfortable working in a fast-paced environment
- Must have skills in art, science, and STEAM that can be shared with staff and guests.
