SAFETY TIPS:

ALWAYS HAVE EYES ON THE KIDS

- While this exhibit is designed for our youngest visitor there are still elements that they could fall off or bump into.

FIRST AIDE

- If you need first aid during your visit, please see a staff member. Staff can always be found at the entrance of the museum.

RULES OF THE EXHIBIT

ALL CHILDREN MUST HAVE AN ADULT WITH THEM

USE RESTROOM CHANING TABLE

- Please change your baby at the Family Restroom changing table. This will help us keep the Children's Museum healthful, clean and pleasant.

NO RUNNING!

- Please walk while in LITTLE SPROUTS FARM. It can get busy and kids will be kids, but there should be no running so that no one gets hurt. If you see someone running, ask if they could please walk. If you feel as though you need assistance, please call a staff person.
